Established 2006

We are a Mount Isa and Cloncurry based company in North West QLD that strives for service excellence in Electrical, Refrigeration and Signage industries. With a large flexible workforce we can provide a single solution for our customers from a Major project to a house or business refurbishment. We have successfully completed projects and service contracts for customers like Queensland Health, Hutchinson Builders, Building and Asset services, Mount Isa Mines and Leighton Contractors

Clancy Corporation is focussed on the future and has a strong drive to promote sustainability across all aspects of our business both internally and through our customers. We see Workplace Health and Safety, Quality and Sustainability as the keys to our business success. We are committed to supporting our community and strive to be good corporate citizens. Our aim is to offer value for all clients.
