

Member to member benefits Program

Commerce North West would like to assist in our members to get more out of their membership. Enter our "*Member-to-member Benefits*" program. This exclusive member-only program is easy to opt into and will offer unquestionable value and enhance membership advantages.

The aim of the program is to provide members with the opportunity to promote their business to other Commerce NW members by offering them discounts, special offers, bonuses or extras on your products, services, programs, or memberships. These packages can only be accessed by other members on presentation of their current membership card.

What is the Member-to-Member Benefits Program really?

The Member-to-Member Benefits Program is a selection of **member-exclusive offers and discounts** from the **Commerce North West** members' network

Participating in the Member-to-Member Benefits Program is a fantastic opportunity to gain **visibility for your products or services, build your brand awareness for free** and **could prove to be an invaluable marketing tool.**

How does it work?

To take part in this program, all you need to do is decide the **discount, offer** or **incentive** you would like your fellow **Commerce North West** members to enjoy.

Decide **how long** you want your offer to last and **how members can access it** (at checkout, online, email) and let us promote the rest.

If you would like to increase your business visibility and promote business by offering fellow Commerce North West members incentives, fill out the attached form and return to manager@commercenorthwest.com.au.
